

## 40' Platform ( PF ): 40' x 8' x 16.5''

### Characteristics

Flatbed with corner castings. For over-length cargoes and special project.

### Dimension

External (mm)	Overall Length	12,192
	Overall Width	2,438
	Over Height	419
Internal (mm)	Length between both end sills	12,162
	Width between edge of side rails	2,408

### Ratings

Title	KGS
Max. Gross Weight	34,020
Tare Weight	5,100
Max. Payload	28,920

### Paint

Steel structure exterior shall be given 3 full coats

- Epoxy zinc rich primer 40 mic DFT.
- Intermediate coat 40 mic DFT.
- Chlorinated rubber top coat 40 mic DFT.
- Total 120 mic. DFT.

### Technical Data

Material	Corten Steel
floor	Checkered plate steel floor, geometry: 6 mm
Classification Society	Germanischer Lloyd or Bureau Veritas
Regulations & Standards	ISO/TC 104, CSC
Paint Supplier	Hempel
Outside colour	RAL 5010
Inside colour	RAL 5010
